

Applications Open for the Freshtime Futures Trust

Freshtime Futures Trust is a newly registered charity which aims to help young people aged 11 to 25 in Lincolnshire. The trustees want to make a difference to the lives of individuals who may be unable to achieve their goals due to financial hardship or illness.

The trust is contacting schools and youth clubs across Lincolnshire to raise awareness of the scheme to the young people in their care.

Applications are welcome from anyone aged 11 to 25 who lives in Lincolnshire to help them overcome a financial challenge. From a bike to help get to school to specialist equipment to continue sports training, funding requests can include:

- *Funding for transport to and from school, college or work*
- *Paying for course materials*
- *Providing an apprenticeship to gain experience in work*
- *Providing support to an individual to further their sporting career*

If you know an ambitious young person who might need some financial support to help them achieve their potential, please direct them to the trust website. Further information, including a short introductory video and the application form can be found online at

www.freshtimefuturestrust.org

We have tried to make the application process as straightforward as possible but if you have any questions, please email info@freshtimefuturestrust.org

IMPORTANT: *If an applicant is under 18, their completed application form must be signed by a parent/guardian.*
