

Community Choir Workshop & Performance

Would you like to be involved?

Why not come along and learn a short, easy chorus from Handel's Semele to sing with others directly before the screening?

Everyone is welcome to come and join us.

No previous experience required!

Garsington Opera for All will be running a free workshop at the Grosvenor House Hotel, at 12 midday for members of the public to learn a short, easy chorus from the opera.

Professional musicians will help participants to learn the words and music, and to find out more about Handel's opera. The pop-up choir will then walk to the Boating Lake to sing the chorus through directly before the screening starts.

All welcome.

Just come along to the Grosvenor House Hotel for a 1200 start!
