This year all examination centres must have in place a written **internal appeals procedure** for internal assessments which contribute to the final GCSE or A Level examination grade. I attach our policy which is particularly pertinent for Y11-13 students.

Next week, it is the **Y8 Ski Trip** and all **Y10** students will be on **Work Experience**. This is an invaluable opportunity for Y10 students to learn about the world of work and develop further their employability skills. The placements are co-ordinated by Mrs Elliott and I am grateful to her for all her hard work in arranging these.

Best wishes
