- Aimée Efemy (10S) and Darcie Radford (12T) who have attained **60 merits**.

Middle School Prefects 2018-19

As you will be aware we are now in the examination season. For **parents of Y11 and Y13** students I have attached information sheets regarding external examinations. Hard copies have been distributed to students at their exam briefing this morning. May I take this opportunity to emphasise that it is important to telephone school if your son/daughter is too ill to attend a public examination (GCSE or A level) and ask to speak to me. However, it is better to try and sit the examination; if a student is unwell, this will be taken into account. A reminder that parents and pupils can access individual timetables via the intranet. For most exams there are briefings beforehand: 9.00 am for morning examinations and 1.15 pm for afternoon examinations. After half-term there will also be some compulsory revision lessons prior to examinations and I will give you final details of these next week.

Finally a reminder that the deadline to request study leave for Y11 is next Friday 18 May.

Best wishes

Miss A Francis
Headteacher

GCSE Music Results 2017

We were pleased to learn last week that we had received a Silver Certificate from the ISM Trust for over 15% of last year's GCSE cohort attaining A*-C in Music. With creative subjects under threat in many schools we are pleased to sustain the numbers taking these subjects at QEGS.
