- Archer Smith (7S), Sophie Wyman (7S), Laura Jeanes (8T) and Emie Mettam (9T) who have attained their **Platinum Merit Awards**.
- **Rosa Smith** (10C) who has attained 60 merits.

External examinations have begun this week. For **parents of Y11 and Y13** students, I have attached letters about examination arrangements. A reminder for Y11 parents, that if you wish your child to have study leave after half term then this must be requested by this Friday, 18 May. After half term there are a number of compulsory revision sessions in addition to the briefings for examinations. A copy of these revision sessions and briefings was distributed to Y11 last Friday, and attached for your information. Supervised revision rooms will be provided at other times. I have also attached a letter for **Y12** parents about **Study Leave**, which is from 11-25 June (inclusive).

This year there will be two music **recitals at St Wilfrid's** on Tuesday 26 June and Tuesday 3 July. The first will feature a range of talented soloists and the second, music ensembles including handbells and ukuleles. All recitals begin at 12.30 pm and usually last for around 30 minutes. Admission is free but we invite donations via a retiring collection. We hope some of you will be able to come and support these recitals.

Best wishes

### Step into the NHS Competition

Congratulations to Nicholas Ashe (9C) and Robert Husband (9C) who were highly commended for their entries in the NHS Schools Competition. They had to research a particular role within the NHS, produce a job description and an advert for this role.
