The **Lower School Creative Arts Evening** is on **Thursday 12 July**. The evening gives us the opportunity to celebrate some of the creative work students have completed in lessons throughout the year, and includes musical and drama performances, and readings of short stories and poems. Displays of pupils' creative artwork and design and technology work will also be on display during the evening. The evening's entertainment begins at **6.30 pm** and we hope that you will be able to attend. There is a £1 entry fee to include a programme, which is payable at the door.

This morning was the first of two **Enrichment Sessions**. These allow staff to share their interests with pupils and for different year groups to work together. A wide ranging variety of activities have been offered including Peruvian Bat Ball, walking football, recycled water bottle art, photography, cross stitch design and chess for beginners.
