Dear Parents

Congratulations to:

- Former student, **Sam Done**, who left in 2015, has recently made his debut for England at the Coast Ballena Octagonal Golf Tournament in Spain.
- Douglas Boston (7S), Millie Kenning (7T) and Myles Elliott (8T) who have attained their **Gold Merit Awards**.
- Helena Kurczewska (9S) and Rebecca Millward (10T) in the Middle School who have attained **60 merits**.
- Ellie-May Wood (7T) and Sophie Wyman (8S) who have attained their **Silver Merit Awards**.
- Tashan-Rose Stockdale (9C), Alice Pridgeon (10S), Laura Dexter (10T) and Alicia Otter (10T) in the Middle School who have attained **40 merits**.

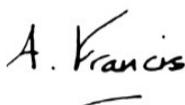

We are looking forward to next week's **Charity Week** in aid of our three chosen charities – Alzheimer's Society, Notts & Lincs Air Ambulance and Winston's Wish. Form stalls will take place in the hall at lunchtimes with Y7 & Y8 on Monday, Y9 & Y10 on Tuesday, Y11 on Wednesday, Y12/13 and Whole School events on Thursday and Friday. On the Friday (8 February) it will be our annual non-uniform day (£2 charge). There will also be a Sponsored Dance in Tutorial on February 12 and a 3 mile Fun Run on March 12 to raise funds, as well as the Spring Celebration on Friday 22 March (organised by Y12). Sponsorship forms are attached and also available from the School Office.

I have attached a letter from the National Foundation for Educational Research (NFER) about **National Reference Tests** for some of **Y11** (who were notified last week). These will take place on 5 March.

Yesterday, after school, pupils from John Spendluffe Technology College joined representatives from our **Student Council** to look at further ways of collaborating. The first project they have chosen to work on focuses on working together to stamp out racism.

Finally a reminder that tickets for **The Phantom of the Opera** are on sale in the school office (£10 for adults and £6 for concessions).

Best wishes

Miss A Francis  
Headteacher

## New Build

The site is now being set up ready for building work to commence on the new Sports Hall, Activities Studio, Science Lab and 2 classrooms. It has been a long time for this project to come to fruition but I am relieved that the contractors are now on site and ready to start.

**Queen Elizabeth's Grammar, Alford Sports Centre Development**
