I look forward to working with them and thank them for their willingness to contribute to the school.

As you will be aware we are now beginning the examination season. For **parents of Y11 and Y13** students I have attached information sheets regarding external examinations. May I take this opportunity to emphasise that it is important to telephone school if your son/daughter is too ill to attend a public examination (GCSE or A level) and ask to speak to me. However, it is better to try and sit the examination; if a student is unwell, this will be taken into account. A reminder that parents and pupils can access individual timetables via the intranet.

Piano Success

Congratulations to Darcie Radford (13T) who recently was awarded her Grade 8 on piano with distinction.

For most GCSE exams there are briefings beforehand: 8.55 am for morning examinations and 1.00 pm for afternoon examinations. After half-term all Y11 will have study leave but there will also be some revision lessons prior to examinations which they would be advised to attend. I will include further details in next week's Tuesday letter. There will also be supervised revision rooms allocated after half-term for those Y11 students who would prefer to remain at school for study leave.

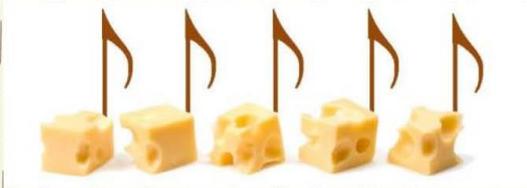

Best wishes
