In last week's letter I mentioned **Y11** revision sessions and supervised revision rooms which will run after half term. Students are strongly advised to attend these. A full copy of rooms is attached and the revision sessions are as follows:

Date	Morning	Afternoon
Monday 3 June		English (pd 4) and Business Studies (pd 5)
Wednesday 5 June	Geography (pd 1) and Maths (pd 2)	History (pd 5)
Thursday 6 June		Biology/Physical Science (pd 5)
Monday 10 June		Chemistry/Physical Science (pd 4)

I have also attached information about a new course being offered by the Lincolnshire Road Safety Partnership called '**Driving For Life**' which would be worthwhile for Y11- Y13 students.

Interviews for my post will be taking place tomorrow, Wednesday, and Thursday. I would hope to be able to inform you of the outcome of these interviews next week.

Best wishes

UPDATE ON NEW BUILD

Work is progressing well with the new sports hall, activities suite and classrooms, with the steelwork frame and some of the cladding now in place. We have also recently been successful in gaining funding for security fencing and CCTV for the front of school.
