Y10 have recently taken their **GCSE in RS**, and next year in this curriculum time they will have the choice of an additional general PE lesson or supervised study/revision time. All Y10 pupils need to make their choice this week (with forms having been distributed by the tutors today) and the form is attached for your information.

We have a vacancy for a **relief site manager**, further details of which can be found on the school website.

We are now busy preparing for our **Summer Fête** on **Friday 12 July, 4.00 - 6.00 pm**. Raffle Tickets were distributed to Y7-Y10 today. Each ticket costs £1 and all stubs and money should be returned to the school office by Wednesday 10 July please. Extra raffle tickets may be obtained from the school office. Donations of prizes for the tombola would also be appreciated, as would baskets for the hampers. This is an important means of fundraising for the school and we very much appreciate your help and support.

For Creativity Day, Mrs Dobson would be grateful of any donations of **denim**. If these could be handed in to the school office by Friday 5 July that would be appreciated.

I have also attached a list of **term dates** for the 2019-2020 academic year to this letter for your information.

Salters' Institute Festival of Chemistry

- The first of our **Music Recitals** is on Tuesday 25 June at 12.30 pm in St Wilfrid's Church.

Best wishes
