

Female Young Coach/Activator Camp 2020

The Female Young Coach/Activator programme runs across the country to give females, in Year 11 or 12, the opportunity to improve their sports coaching skills. The Lincolnshire programme is coordinated by Carre’s Grammar School on behalf of the Youth Sport Trust and requires the girls to attend an overnight training camp at PGL Caythorpe. More information on this will be sent out to those who are selected. This training will help the Coaches/Activators to be able to deliver targeted sessions back in their own school. Girls involved in this programme could also follow the county and national programmes and attend further events and training.
