Dear Parent

As we fast approach the start of our new school year, Thursday 3 September, we look forward to welcoming our students back into school.

The latest documents on safely returning to school, Student How to Guide, Student Map and Risk Assessment, can be located on our school website and from the links below. It would be helpful if you could, in the first instance, familiarise your child with the basis of the new requirements, prior to starting in September. Please rest assured that staff and students will be given appropriate training once on site, of our new working procedures.

Uniform is available throughout the holiday period on a 'click and collect' basis from our online uniform shop in readiness for September: <https://app.parentpay.com/ParentPayShop/Uniform/Default.aspx?shopid=383>

Trutex Sizing Guide: <https://www.trutex.com/tips-and-tricks/size-guides.html>.

Once your order has been processed, you will be given a time slot for collection.

The safety of students, parents and staff is paramount in all our decisions. We look forward to a positive new start in September.
