Calling all past and present pupils! We are appealing to anyone who might have **old school photographs**, to ask if you would consider donating them to us. We have located a number of whole school photographs and archived memorabilia, however we are looking to increase this to give us a real flavour of the school's history (we currently have whole school photos from 1960, 1990, 1994, 2004, 2009 and 2015), which we would like to use to 'form a timeline around school'. Additional photographs will be gratefully received!

May we remind you that if driving to school you **park** sensibly along the main road outside school. Please avoid parking on both sides directly either side of the school entrances and never on the zigzag yellow lines. It causes difficulties for school buses and large vehicles to pass and it is potentially dangerous for pupils who need to cross the road, as visibility is poor. Your understanding on this matter is appreciated.
