## ICT TECHNICIAN

Required for October 2018

Salary - Former NJC Scale 4 Pts 18-21 (£18,870 – £20,541)

Queen Elizabeth's is a friendly school community with high expectations. We are looking to appoint a full-time technician who would like to join our forward-thinking ICT Technical team. Computing and ICT are an important part of our students' learning and we are keen to embrace new technologies throughout the school. The technical team is very important in helping to make systems within the school run smoothly. Technical support to local primary schools will be undertaken as part of this role.

The successful candidate will:

- Have good academic qualifications
- Have very good interpersonal skills and enjoy working with others
- Have a strong work ethic and be able to work independently
- Be comfortable using Microsoft operating systems
- Be a good problem solver and logical thinker

Further details and application form are available from our website.

Deadline: 12 noon on Friday 28 September 2018.
