## *Brief Details of the School*

Queen Elizabeth's is a Selective Academy, currently having 554 pupils on roll. We converted to Academy status in October 2010.

The school is a very friendly and caring community in which pupils are known and valued individually. The atmosphere is calm, happy and purposeful; standards of attainment, behaviour and dress are high.

Academic results are high at Queen Elizabeth's and we are proud of our reputation as one of the top Grammar schools in Lincolnshire.

- At A Level 70% of grades were at A\*-B, placing us second in the County.
- At GCSE 99% of students gained 5+ or more GCSEs at grades A\*-C, including English and Maths.
- Over a quarter of the students gained at least 10 A\*/A grades
- 15% of students gaining the new grade 9 in English Language, intended to differentiate amongst the most able
- Value-added through all key stages is excellent.

The Sixth Form has 142 students in total, with some students (about 10 this year) joining us from other schools. Most students study four subjects. We aim to provide a broad, balanced, relevant and differentiated curriculum, with our Specialist status being Business and Enterprise.

### *The PE department at Queen Elizabeth's*

The department offer a wide range of activities and encourage all pupils to participate in physical activity. The main winter activities include football, rugby, hockey, netball, cross country, gymnastics, dance, squash, badminton and basketball. During the summer term tennis, rounders, cricket and athletics are the main activities. GCSE and A Level courses in physical education are also offered.

We work to a 25 period week with 1 hour lessons. House competitions are held in most activities and we enter almost all district competitions.

Extra-curricular clubs are run at lunchtime and after school, and include a triathlon club and equestrian team.

Currently our indoor facilities are limited to our multi-purpose hall but we have received Priority Schools Building Funding and have planning permission for a sports hall and activities studio. Building is due to start in April 2018. This would be an exciting time to join the PE department.
